<sup>1</sup>Not less than this amount for Choice Neighborhood Initiative shall be awarded to public housing authorities.

<sup>2</sup>\$748 million to support Emergency Housing Voucher households remaining in the program at the end of Calendar Year 2026. This estimate assumes that approximately 40,000 families will need additional funding to ensure they remain stably housed. CLPHA is agnostic about the account through which these vouchers are funded (e.g., HAP renewals, a new Emergency Housing Vouchers account, or Tenant Protection Vouchers).
